

NATIONAL DRUG TAKE BACK INITIATIVE

On Saturday, April 28, 2012, from 10:00 AM to 2:00 PM, DEA will coordinate its fourth collaborative effort with state and local law enforcement agencies, focused on removing potentially dangerous controlled substances and other medications from our nation's medicine cabinets.

DEA will provide collection boxes, handouts, and posters, help orchestrate the pick-up of drugs obtained on the collection day, and dispose of all drugs.

If you are interested in participating in April's event, and you have not yet contacted DEA to register, please email Lynnette.M.Wingert@usdoj.gov with your contact information and collection site location. Registration requests must be received no later than Friday, April 6th.
